

Instructions for Completing the Courses4Teachers / University of the Pacific Registration Form for your Participation in an ACIS Education Tour or Global Conference

All teachers wishing to receive Graduate-Level Professional Development Semester Units/Credits for participating in an ACIS tour will be required to complete a Registration Form within **12 months** of your travel/tour. *(Please note: These units/credits are designed for advancing on the salary scale and/or renewing credentials. They are NOT designed to be used toward attainment of an advanced degree.)*

Step 1

Get to know the policies of your school district regarding graduate level professional growth courses, due dates, etc. Some districts require prior approval and some don't. Districts vary in policy regarding whether or not they require embossed transcripts, and districts have different turn-in dates for salary advancement. It is your responsibility to know your own district's policies. There are NO refunds.

Please note: It typically takes 6 - 8 weeks to obtain a transcript from the Registrar, so please plan to register with this time frame in mind.

What information to provide your district should you need prior approval:

Generally districts ask for the name of the university, the course title and course number. If additional information is requested, you may add that all our University of the Pacific courses are Graduate Level Professional Development Semester courses, designed as professional growth for teachers. The University of the Pacific is accredited with the Western Association of Schools and Colleges.

Step 2

Complete and submit the registration form and payment. (See link below).

You may register by regular mail or email and we will need two things from you:

1. Registration form completed – see *suggested course titles below*
