

## **ACIS Project World/CAS Journal**

### Pre-trip personal goals and cultural expectations

#### **Consider your strengths and weaknesses, abilities, aptitudes and interests.**

- What aspects of this trip play to your strengths and interests?
- What aspects of this trip will stretch you personally?
- What do you expect to learn about yourself during this trip?
- What have you learned about yourself during your preparation for travel?

#### **Consider the countries to which you will travel.**

- What are your cultural expectations in regards to
- Social norms?
- Religion?
- Food?
- Children and child-rearing?
- Gender?
- Education?
- You?

#### **Consider the issues of global significance you will encounter while abroad.**

- What are they?
- How have organizations and individuals attempted to solve or deal with these issues in a meaningful way?
- What ethical dilemmas and difficult decision might you face while traveling abroad?
