

## Senior Oracle Developer

### **About ACIS**

ACIS Educational Tours are built on a passionate belief that travel changes lives. Since 1978, we've guided teachers and students on over a half million unforgettable tours. By traveling on an ACIS tour, students gain insight not just from seeing famous places, but also from observing life in and around them. Our commitment to changing lives one by one has made ACIS the best known, most respected name in educational travel.

### **Job Overview**

Reviews, analyzes, and modifies programming systems including encoding, testing, debugging and installing to support ACIS business systems.

Consults with users to identify current operating procedures and to clarify program objectives. May be expected to write documentation to describe program development, logic, coding, and corrections.

### **Job Requirements**

- Minimum of three years experience with Oracle Developer, PL/SQL, Oracle Forms and Oracle Reports. Familiarity with relational databases and web concepts also required.
- Must be personable, adaptable, able to multi-task and must work well both in a team and independently.
- Will work under the immediate supervision of the Vice President of IT.

ACIS offers great benefits to its employees: four weeks vacation the first year, 401K with profit sharing, travel discounts, 80% company paid health/dental, 100% paid life insurance & disability, flexible schedules, tuition reimbursement and much more!

Please send a cover letter and resume to: ACIS, Attn: HR, 343 Congress Street, Suite 3100, Boston, MA 02210 or email: [hr@acis.com](mailto:hr@acis.com) No phone calls please.
